

### Summer Reading - 1<sup>st</sup> Grade

Summer is the perfect time to read! First Graders are required to read ***fifteen*** books of their choosing this summer. If your child can read independently, we encourage them to choose books at their reading level. If your child is not yet reading independently, please read the books to them.

Happy Summer and Happy Reading!

List the title of the book and parent signature on the lines below. Additional lines are provided on the back of this sheet. ***Return this sheet to your teacher the first week of school.***
