

## School Supplies for the 2021/2022 School Year

It's time to order School Supplies for next school year. The HFS Home and School Association offers this service every year as a fundraiser for the association. This year, all orders need to be placed **online** by **June 13th** to receive the discounted price and be "Ship to School". After this date, supplies will be "Ship to Home" and the discounted price will not be available. Please be advised that if you choose "Ship to Home", your order needs to be placed by the end of June to guarantee delivery before the first day of school.

**\*Please make sure you order the box for the grade your child will be in this Fall.**
